**Adams Dairy Bank (*In Organization*)
Adds Four New Staff Members**

BLUE SPRINGS, Mo.: October 8, 2007: Adams Dairy Bank (*in organization*) continues to move closer to opening its doors and in preparation has added four local, experienced financial services professionals to its staff. Cheyanne Reed will serve as the proposed bank's Chief Operating Officer, Matthew Owings will serve as the proposed bank's Chief Credit Officer, Ashley Lindsey will serve as the proposed bank's Client Service Manager, and Duston Weisenborn will serve as the proposed bank's Executive Assistant.

"We are building a team of local financial services professionals who are excited to be a part of the effort to launch a community-focused bank which will be able to make its business and community involvement decisions quickly at the local level," said proposed President David Chinnery.

Leading the organizational effort, Chinnery most recently served as SVP and facility manager for an area community bank. He has extensive business development skills, operation management skills, relationship-based management skills and an impressive track record of generating and retaining new business. A graduate of Westminster College with a bachelor's degree in business administration, the proposed President Chinnery is also an active contributor within the community. Chinnery is a current member of the Heart of America Council for Boy Scouts of America, Blue Springs Economic Development Corporation, Blue Springs Chamber of Commerce, Rotary Club, along with several other affiliations.

Reed brings more than 30 years of banking experience to her new position. Reed most recently worked as AVP at an area bank. Her responsibilities included oversight of the bank's information technology software system, loan document preparation and training.

Owings most recently worked as AVP of loan administration for an area bank. His responsibilities included executive management of bank's commercial loan portfolio, loan review and minimization of problem loans.

Lindsey has spent the past five years as AVP at an area bank. Her experience included management of four customer service representatives, oversight of the daily bank operations and customer service.

Weisenborn most recently worked as a customer service representative for a local bank. His responsibilities included preparation of loan presentations, analysis of financial statements, conducting credit interviews and completing loan transactions.

Adams Dairy Bank (*in organization*) will be located in a new building under construction near the northwest corner of I-70 and Coronado Drive in Blue Springs. The proposed bank will offer a full range of personalized banking services to owners and managers of small to medium-sized businesses, commercial real estate professionals and local residents in the Blue Springs area.
